After some correspondence on the subject Govt in their order no 1749-53 dated 19.8.05 ordered that no Special allowance was necessary in the case of Mr Abbay Naidu (vide med File no 59-04 Sl 6 B. August 1905)

2 In his letter no Cf 4398 30.11.05 the Senior Surgeon brought to the notice of Govt that the Asst Surgeon in Charge of the Lunatic Asylum at Madras is drawing a Staff allowance of Rs 30/. and an Asylum allowance of Rs 30 or Rs 60 excluding Rs 40 for clinical teaching, and that the Apothecary in the Asylum at Madras gets an allowance of Rs 60 in all and Contrasted also the Conditions under which the Assistant Surgeon in the Madras Asylum works with those under which Mr Abbay Naidu works at Bangalore The Senior Surgeon recommended that in view of the fact that Mr Abbay Naidu's Charge of the Asylum Saves the pay of an Asst Surgeon in Whole time Charge of the Asylum, the grant of an allowance to Mr Abbay Naidu may be sanctioned. 1905 3 The late Dewan in his note of 17.12.05 was pleased to order as follows with reference to the Senior Surgeon's recommendation

"It is too early to revise it (the order declining the allowance to Mr. Abbay Naidu) even if such a necessity has been established of which, however, I am not positive".

(Vide para. 4 of the notes in file No 157-05 Pols I & II B December '05).

4. A subsequent Communication (No 665 of 8.3.06) from the Senior Surgeon again recommending the grant of an allowance to Mr. V. Abbay Naidu was simply filed as the late Dewan directed in his note of 28.3.06 ~~directed~~ that the question may drop. (Vide file Collection 157-05 Sl No 3). It will be seen from the file Cases received with the paper under disposal that the average cost per head incurred in the Lunatic Asylum at ~~Bangalore~~ Bangalore ranges from Rs 88 to 105 as against Rs 152 to Rs 160 in the Asylums at Madras and that some of the other medical officers in the Bangalore city are drawing allowances in addition to their pay

7. Col Smyth has been writing in behalf of Mr Abbay Naidu since 1904 - This is the 4th letter on the subject. Col Smyth makes out a strong case for the grant of a special allowance to Mr Abbay Naidu. The Charge of the Lunatic Asylum involves some risk in bodily dealing with violent persons Leper asylum is no light charge. Col Smyth specially commends Mr Abbay Naidu's services great improvements have

Note No 80 dated 23-10-06.

Dr Smyth has lately been recommending almost every officer & establishment under him for increase of pay but I do not see that the case for an allowance in this case is strong. The grounds urged are:—

The Medical Officers and Subordinates in the Madras and other Lunatic Asylums are given Special allowances.

ii The Resident Medical Officer of the Victoria Hospital Bangalore the Medical Officers of the Jails and the Medical Officers attached to Palace are given Special allowances.

iv We have to look after the lunatics of the C & M Station maintain registers, issue certificates as to the Sanity or insanity of the Supposed Lunatics and attend to the Courts of the Civil and Military Station when necessary.

v The Mysore Government gets monthly in average Rs 180 from the Civil and Military Station for superintending and guarding its lunatics.

The Assistant Surgeon Madras Asylum gets a staff allowance of Rs 30/ and the Apothecary a presidency allowance of Rs 30/ for separate purposes and these allowances cannot therefore be taken

into comparison. The Asylum allowance of Rs. 30/ drawn by each of these officers may be due to special causes absent in Bangalore.

The Resident Medical Officer of the Victoria Hospital Bangalore is prevented from having private practice, while there is no such restriction with regard to Mr. Abbay Naidu. Moreover the institution is one of great importance requiring the service of the Officer at all times and the Officer is therefore given a special allowance.

On the same consideration, the Medical Officers attached to Palace are given same allowances.

The Administrative and Medical charges of the Central Jail are assigned respectively to a Civil and a Medical Officer. This officer undertakes the work in addition to his substantive work and is given the allowance according to the Mysore Service Regulations.

The number of the lunatics of the Civil & Military station is —

comparatively small, and I do not think there is any appreciable increase in the work of the Assistant Surgeon on their account.

The recovery of Rs 180/ a month from the C & M station cannot be taken as a ground for the officer's claim.

The only important point for consideration is the transfer of Lunatic Asylum to the charge of the Assistant Surgeon in addition to his work as Superintendent of Vaccine Institute. It is from this transfer the claim for an allowance has arisen. Hitherto one officer was in charge of the Lunatic Asylum and another officer in charge of the Vaccine Institute. The former officer has not claimed any allowance while he was in charge of the Asylum. The supply of vaccine to Madras Government has been stopped, and the work of the Vaccine Institute has been much curtailed. As a whole-time officer was not evidently required for the Institute Mr. Abbey Naidu was placed in charge of both the Lunatic Asylum and the Vaccine

Institute On the whole therefore I do not see that the case for a special allowance is made out.

If Government sanctions an allowance the order must come into effect from the 1st of June next in accordance with the procedure lately settled. The savings pointed out in this file will be more than counterbalanced by the excesses on account of the Reception Arrears.

24. The Comptrollers remark that "Dr Smyth has lately been recommending almost every Office & Establishment under him for increase of pay" cannot apply to the present case, in which the Senior Surgeon made his first recommendation so far back as 1904 as observed by the 2nd Comptroller and has been repeating it ever since.

Though according to the Viceroy's order of the 21st August 1906, the Comptroller's opinion was called for as to whether the expenditure, if sanctioned could be met by reappropriation during the Current Year, he has attempted to deal with the administrative aspects of the question as to whether the ~~Senior~~ Asst Surgeon is or is not entitled to the allowance recommended by the Head of the Department, though he is not aware of the circumstances under which the Asst Surgeon & the Apothecary in Charge of the Lunatic Asylum at Madras are drawing

25 With due deference to the Comptroller, it may be submitted that the merits of such case, the importance of the charge, the nature of additional work thrown on an Officer undaboveall, the risky nature of the appointment can only be judged by the Head of the Department & those above him

In the present case, the Asst. Surgeon's claim for a special allowance having been recognized by both the Senior Surgeon and the 2nd Councillor, and also by the Diwan in a way, it is doubtful if the Comptroller's arguments can stand though for want of funds during the current year, the allowance sanctioned should ~~take~~ as suggested by him, take Effect from 1st July 1907, and necessary provision made therefor in the ensuing Year's Budget.

31 The question of granting an allowance to Mr. Abboy Naidu, Assistant Surgeon in charge Lunatic and Leper Asylums at Bangalore, has been before Government more than once. In His Highness' order dated 8th August 1905, it was decided, on the recommendation of the late Council, that a special allowance was not necessary. The Senior Surgeon nevertheless urged the case for re-consideration. In reply to his recommendation in December 1905, Government replied that the order of August could not be revised then, and a subsequent recommendation in March last was filed without orders. In his letter dated 31st July 1906, Col. Smyth has once again strongly pressed the case for favorable consideration.

The Councillors are of opinion that the Senior Surgeon's recommendation to grant an allowance should be sanctioned. The Comptroller thinks that no case for a special allowance has been made out, and states that even if the Government

sanction an allowance, the order should take effect only from the next official year.

Mr. Abboy Naidu was at first only in charge of the Vaccine Institute and there was another officer in charge of the Lunatic and Leper Asylums. On the transfer of the latter officer about 2½ years ago, Mr. Abboy Naidu was placed in charge of the Asylums also in addition to the Vaccine Institute. Col. Smyth speaks highly of Mr. Abboy Naidu's work in these institutions. There is no doubt that the charge of the Asylums in addition to that of the Vaccine Institute has imposed very large additional work and responsibility on Mr. Abboy Naidu. This is a very strong reason for the grant of an allowance. I therefore agree with the Councillors in recommending the grant of an allowance of ₹100 per mensem to Mr. Abboy Naidu with effect from 1st July 1907, and so long as he continues in charge of the Vaccine Institute and the Lunatic and Leper Asylums. The necessary provision will be made in the Budget for the next year to meet this charge.

Subject.

Grant of an allowance of ₹100 per mensem to Mr. V. Abboy Naidu, Assistant Surgeon in charge of the Lunatic and Leper Asylums.

In view of the very strong recommendations made by the Dewan and the Councillors I sanction the grant of a monthly allowance of ₹100/——— to Mr. V. Abboy Naidu. It may be given effect to as proposed.

To

K.S.Chendrasekhara Iyer Esqr.,B.A.,B.L.,
Secretary to the Government of H.H. the
Maharaja of Mysore, Genl.& Rev.Departments,
Bangalore.

SIR,

Reg V

In inviting kind attention to my No.G.665 dated X 8-3-1906, I have the honor to enclose for the further information of His Highness' Government a statement showing the allowance drawn by Medical Officers working in Bangalore City; also a statement showing the cost of keeping the Lunatic Asylum Madras as compared ~~to~~ with that of keeping the Lunatic Asylum Bangalore, as well as a letter from -- Mr.Abboy Naidu setting forth his claims to a liberal al--lowance.

2. I may once more remind His Highness' Government that my predecessor had a special Assistant Surgeon in -- charge of the Lunatic Asylum, but that on the removal of that Assistant Surgeon I thought I would see what could be done by giving the charge of it to Mr.Abboy Naidu in addition to his duties as Superintendent of the Vaccine Institute. My anticipation have been fully realised. Out of chaos Mr.Abboy Naidu has instituted order. Manufactures are -- far better done the patients are far better treated, and

his

his methods of sanitation have resulted in not only greatly improving the garden but in the saving of Rs.30/- a -- month for scavenging.

3. In my opinion therefore Mr.Abboy Naidu deserves every encouragement. It will be observed from the list of Medical Officers drawing allowances, that in many -- cases substantial allowances are given for duties which are as nothing compared with the charge of the Asylum.

4. In my opinion Mr.Abboy Naidu does his work well because it is not in him to do work badly - therefore -- that whether Government be pleased to give him an allowance or not the work will be continue to be well done - But it is hardly fair to take advantage of these peculiarities and only right and just to recognise in a substantial -- manner his successful efforts to serve his Government -- well - in fact only right to deal with him in a strictly equitable manner as compared with his colleagues working in Bangalore City.

I have the honor to be,

Sir,

Your most obedient servant,

M.D.

Lt.Col.I.M.S.

Senior Surgeon and Sanitary Commr.,

To

13

The Senior Surgeon H.S.C. Dept.
Bangalore.

Sir,

I beg to bring to your kind notice that it is nearly 2½ years since I have been placed in charge of the Lunatic and Leper Asylums in addition to my duties as Superintendent of the Vaccine Institute. In what condition the asylums were, how the Registers, Case books & Accounts were kept when I took charge of them, what improvements have since been effected to insure their efficiency, and what interest I have been evincing in them, I need not reiterate here, as I appeal to your personal knowledge of them.

I do not personally complain of the heaviness of the combined work which I am asked to do, and which, I believe I am discharging to your satisfaction; but I bring to your notice the fact of my not being given any Remuneration similar to that of other Medical Officers in similar Situations, for the Extra and onerous

duties

duties imposed on me during the last 2½ years.

I shall here state briefly the following few facts to serve you as a memorandum in Considering my Case.

I The Medical Officers and Subordinates in the Madras and other Lunatic Asylums are given Special allowances for their responsible duties which are attended with some risk involved in dealing with insane people.

II The Resident Medical Officer of the Victoria Hospital, the Medical Officers of Jails and the Assistant Surgeons in charge of the Palace duties get, in addition to their pay, a substantial allowance for the onerous or extra duty which they have to perform; - Whereas to me, the Resident Medical Officer of the Lunatic Asylum having to look after the Vaccine Institute & Leper Asylum in addition, such allowance is denied.

III I have not only to look after the Mysore Government Lunatics but also those of the Civil & Military Station. This involves one more additional labour of having to maintain Separate Registers, Case books, and Accounts, of having to Certify to the "Sanity" or "insanity" of their "Supposed" lunatics, and of having to attend their Courts Whenever Summoned to do so.

IV The Mysore Government are recovering about Rs: 180/- every month from the Civil & Military Station towards the Superintending and Guarding" charges. This amount is not Spent for any purpose Whatsoever

I beg, therefore, that you will be pleased to move the benign Government

to

to give the Subject the Consideration which Justice has been demanding for the last 2½ years nearly.

I beg etc

Sir,

With reference to your No.1759/Med(51-06)-2 dated 27-8-1906 anent an allowance to Assistant Surgeon Mr.V.---Abboy Naidu, I have the honour to state that at this period of the official year it is impossible to say in what direc-tion re-appropriation could be effected. But the proposed expenditure which ought to amount at least to Rs,200/- a month could not of course in any case be met from the Medi-cal Budget which was drawn up originally as carefully as possible and which will doubtless have been considerably curtailed by Government.

I have the honour to be,
Sir,
